

Homework #1: Due Friday Jan 18

1. Convert the following *unsigned* binary numbers to decimal

11010110

00011100

010101

01110110

2. Convert the following unsigned binary numbers to hexadecimal

11010110

00011100

010101

01110110

3. Convert the following unsigned hexadecimal numbers to binary

1F

B3

12

07

4. Convert the following unsigned hexadecimal numbers to decimal

1F

B3

12

07

5. Convert the following unsigned decimal numbers to binary

23

64

123

9

6. Convert the following unsigned decimal numbers to hexadecimal

23

64

123

9
