ECE 523: Symmetrical Components
Homework #0

Due: Session 3: [January 22]

BACKGROUND
Please spend a few minutes to tell me about your background. Mainly courses taken or work experience that prepared you for this course. Please describe your experience using Mathcad and list which versions of Mathcad you have available.

If you have decided which transients program you plan to use please indicate that here.

OBJECTIVES
Now that you've had a chance to hear my objectives for this course, I would like to hear what you would like to get out of this course. I will try to meet your objectives in the class. Please comment on the order in which you would like to see the component models presented as discussed in class.
