Due: Session 3 [That's January 14 (on-campus) and January 21 (outreach)]

ECE 529 Background

Please spend a few minutes to tell me about your background. Mainly courses taken or work experience that prepared you for this course.

ECE 529 Objectives

Now that you've had a chance to hear my objectives for this course, I would like to hear what you would like to get out of this course since there is more material to try to cover than available time I will need to cut out some material. Your responses here will help me decide what to emphasize. I will try to meet your objectives if possible.
