General Guidelines

1. This is not a self-paced class. You are expected to finish within one week of the on-campus students.

2. Phone calls and the use of e-mail for comments and questions is encouraged.

3. Please put "ECE 522" as the first part of subject for all emails.

4. Please put your name on the top of the first page of each exam and homework.

5. Please put UI ECE522 on the top of the first page of each exam and homework.

6. So that I know whether or not I have completely received any FAX's you send, please make sure you number your pages; e.g., 1/4, 2/4, etc..

7. Due dates for homeworks and projects will generally be specified one week later than those for on campus students.

8. Assignments will be worth a maximum of 50% after the due date.

9. Assignments over one week late will not be accepted.

10. Answers to selected homework problems will be mailed to you along with your graded homework.

11. Returned homework and projects may not reach you prior to exams. Please make copies of any assignments that you believe may be useful before you submit them.
